## 2 Local transport

### How to get to the workshop from the city / central station (Hauptbahnhof Stuttgart) or the airport (Flughafen Stuttgart) and back

The easiest and fastest way to get to the workshop from the city or the airport is by S-Bahn S1, S2 and S3 (S=schnell=fast, Bahn=train).

Buy a  -ticket (VVS: Verkehrs- und Tarifverbund Stuttgart = Transit and Tariff Association Stuttgart) from a vending machine before boarding the train. There are cheaper tickets for four rides, to be stamped at the entrance of the station before boarding the train, and tickets for one day, e.g.

single ride ticket, 2 zones	2,70 €
four rides, 2 zones	10,30 €
single day ticket, 1-2 zones	6,50 €

VVS-tickets are also valid in U-Bahn and buses, a ticket entitles the rider to one ride in the same direction, changing lines as well as ride interruptions are permitted. VVS-tickets are valid for two hours from purchase. They can be bought from vending machines and from bus drivers. In contrast to the S-Bahn, tickets for four rides can be stamped inside the U-Bahn and buses. If you stay in a hotel, there are also tickets for three days available in the hotel. For more details see <http://www.vvs.de/en>.

- **From the city to the workshop:** Coming from the city: You need a ticket for two zones. At the central station "Hauptbahnhof" follow the S-Bahn signs  and take the S-Bahn S1 to Herrenberg, S2 or S3 to Flughafen, Vaihingen or Filderstadt and get off at "Universität". Exit the subway in the opposite direction of travel.

- **From the airport to the workshop:** You need a ticket for two zones. Take the S-Bahn S2 to Schorndorf or S3 to Backnang and get off at the station "Universität". Exit the subway in the direction of travel.

- **From the workshop to the city/Hauptbahnhof:** The city centre or the Hauptbahnhof (central station) can be reached from the University Campus in 10 minutes by S-Bahn S1, S2 or S3 in the direction of Kirchheim, Schorndorf or Backnang, respectively. You need a ticket for two zones.

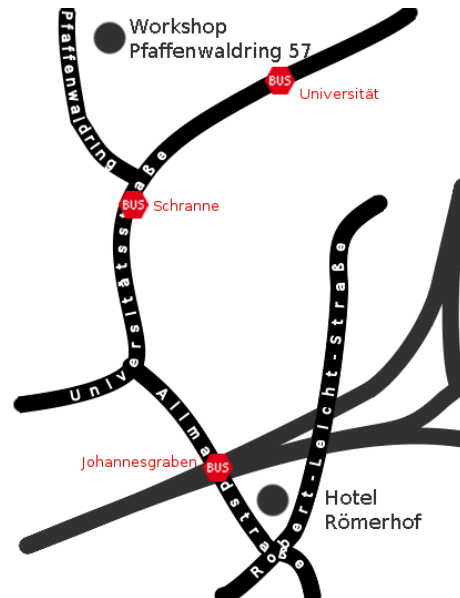

- **From the workshop to the airport:** The airport can be reached by S-Bahn S2 or S3 in the opposite direction (i.e. Flughafen/Messe, Filderstadt). You need a ticket for two zones.

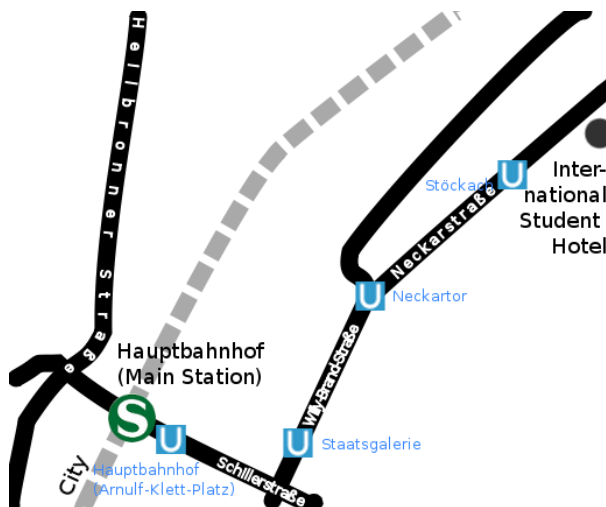

## How to get to the workshop from the hotels

- **Römerhof:**

This is located a 10 minutes walk away from our institute. Just follow the road in the direction of the university and you should be able to spot two big towers on the left side of the road. Our building, Pfaffenwaldring 57, is one of them. Alternatively you can get the bus number 82 going from Johannesgraben bus stop, direction Waldeck. The University bus stop is two stops away from departure. You need a ticket for a short distance (Kurzstrecken Ticket).

- **International Student Hotel**

This is located in the city centre, near the Schlossgarten. It is about 20 minutes walking distance from the main station (Hauptbahnhof). Alternatively, take the U-Bahn U9 or U14 from Stöckach, direction Vogel-sang/Botnang and Heslach respectively to the Hauptbahnhof. From there follow the directional signs to the S-Bahn platform and take S1, S2 or S3 in the direction of Herrenberg, Flughafen, Vaihingen or Filderstadt until the Universität station.

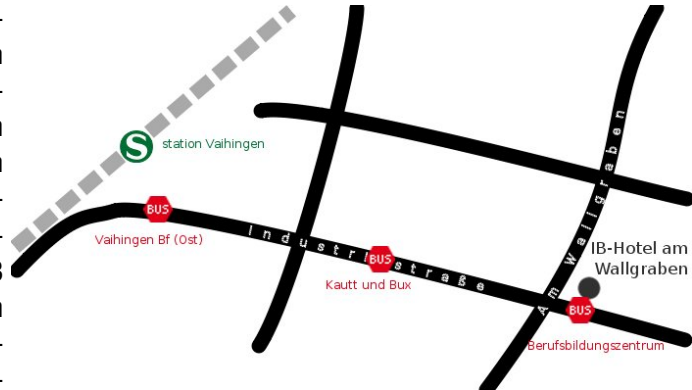

For the ride from Stöckach or from Hauptbahnhof to Universität you need a ticket for two zones.

- **Gastdozentenhaus:** The Gastdozentenhaus is located on the University Campus, see the picture on the front page.

- **IB Hotel am Wallgraben:**

This is located in Vaihingen. It is about 10 minutes walking distance from the station Vaihingen and about 45 minutes walking distance from our institute. At the station Vaihingen follow the directional signs to the S-Bahn platform and take S1, S2 or S3 in the direction of Kirchheim (Teck), Plochingen, Schorndorf or Backnang until the station Universität.

To get to the station Vaihingen and back, you can alternatively take the bus number 80 (there is only one direction). You need a ticket for one zone.

- **Commundo Tagungshotel:** The Commundo Tagungshotel is located on the University Campus, see the picture on the front page.
